

West Midlands Region Fencing

Dear Fencer/Parent/Guardian/Coach

Thank you for entering the West Midlands Qualifiers and qualifying to represent the West Midlands at the Finals on the May Bank Holiday Weekend (4,5,6 May 2019) at the Sheffield EIS.

As mentioned on the entry page in previous years the West Midlands Committee has subsidised all levies charged by British Fencing for entry to the finals for qualified fencers (the only region to do this). This year British fencing has increased the fees to the regions from £7 per entrant to £10 and from £24 per qualifier to £35. The committee took the decision to increase the subsidy by £30.00

£10.00 Per entrant

£35.00 Per qualifier

Total payable by WMR to British Fencing £45.00

On the event sign up you agreed on qualification that you would make a payment of £15.00 for 1 weapon qualified, 2 weapons qualified £30.00, 3 weapons Qualified £45.00.

This can now be done by using the following link and choosing either 1,2 or 3 weapons adding first and last name and BFA number.

This method of payment is also for those fencers who received a bye from the 2018 finals for finishing in the top 8.

At this moment in time British Fencing only have a day for when each weapon is being held but as yet check in times have not been posted;

Please use the following link to check for relevant information, we will update our website and Facebook pages as and when relevant information becomes available.

Please make payment by Friday 17th April 2019 failure to do so will result in your fencer being withdrawn from the finals and they will be unable to fence.

I and the committee wish you all the luck and best wishes representing the West Midlands

Yours in Fencing

Peter James

Chairman West Midlands Region BFA
